Mr. Thomas Kinisky
President and CEO
Saint-Gobain Performance Plastics
1 Sealants Park
Granville, NY 12832

Dear Mr. Kinisky:

As the Rensselaer County Executive I wanted to express to you my thanks for your commitment to addressing the water contamination facing the Village of Hoosick Falls.

In my many conversations with Mayor Borge as well as in briefings from my staff a common theme appears in that Saint-Gobain has served as a willing partner with the village supporting their effort to remove Perfluorooctanoic Acid from public and private water supplies. This is a goal we certainly share.

Additionally, I also want to thank you for your public comments regarding your commitment to the individuals working in your facilities in Rensselaer County and the community of Hoosick Falls. We value your presence as a longstanding employer and contributor to our local economy.

Please do not hesitate to contact me if I can ever be of any assistance.

Sincerely,

A handwritten signature in blue ink that reads 'Kathleen M. Jimino'.
